

CISA FIELD RULES

Smoking is prohibited on CISA Fields - Smoking is only allowed 15 ft from the entrance gates

Equipment

The home team is responsible for supplying an adequate game ball for use during the game. If the home team does not have an adequate game ball, a ball from the visiting team can be used.

Jewelry

No jewelry is allowed to be worn by the players during the game except for medical or religious purposes - in this case they must be taped to the body. Earrings of all types, necklaces, and bracelets (including Live Well type bands) cannot be worn during games.

Band-Aids/tape cannot be placed over newly pierced ears during games. All players must wear age appropriate shin guards worn under the socks. In case of a jersey conflict (color), the home team will wear alternate color jerseys with numbers - colored pinnies can be worn over the numbered game jersey.

Pets

All pets are strictly prohibited at our complexes. We have experienced children injured by "small, well behaved pets on a leash." We have also experienced animals injured by running children and soccer balls. We will enforce this prohibition. Games will not be started or continued until animals are removed from the complex.
