2. The chairman of the Referee Committee is an elected member of the NTSSA Executive Committee. The chairman shall be elected for a term of two (2) years and may succeed himself in office. The chairman is elected in even years. The chairman shall be a registered USSF Referee and shall report the activities of the State Referee Committee, in writing, at each regular monthly meeting of the NTSSA Executive Committee.

B. REFEREES (NTSSA Rule 3.5)

1. In compliance with USSF Rules, all referees serving NTSSA and its affiliated Member Associations shall be registered with the USSF and NTSSA in accordance with current rules and regulations of the USSF National Referee Committee and the State Referee Committee.
2. All USSF referee training for certification will be under the direct supervision and direction of the State Referee Committee and SDI. No referee instructors other than those specifically trained and certified by USSF or the SDI are approved as instructors for basic referee clinics.
3. In accordance with current rules and regulations of the USSF National Referee Committee and the NTSSA State Referee Committee all referee assignors (or schedulers) must have satisfactorily completed the approved assignor clinic and be registered with USSF and NTSSA. The use of unregistered referee assignors is approved only in an emergency situation and is limited to the balance of the current season.

C. CRIMINAL BACKGROUND CHECKS

1. Every person over the age of 17, who at any time could be expected in the performance of their duties to be alone with any registered youth player, must have on file with NTSSA a completed NTSSA Application and Consent for Criminal Background Check (NTSSA Adult Applicant).
2. For purposes of this procedure, at a minimum, all coaches, assistant coaches, managers, trainers, referees, volunteer administrators, board members, and staff/employees are included. Others may be included if they may be alone with registered youth players.
3. This process will take place annually at the time of referee registration and in accordance with the NTSSA Administrative Rule Book.

D. REFEREE SYSTEM - OUTDOOR (NTSSA Rule 3.12)

1. The only approved referee system for all NTSSA competitions (both State and affiliated members) shall be the International Three-Referee system (a referee and two neutral assistant referee) employing FIFA Laws of the Game (as modified herein), officiating techniques, and mechanics. The order of preference when three registered referees are not available is as follows:

 - b. A USSF referee and one USSF assistant referee and one club assistant referee.
 - c. A USSF referee and two certified "junior" assistant referees.
 - d. A USSF referee and one certified "junior" assistant referee and one club linesman.
 - e. A USSF referee and two club linesmen.
 - f. A USSF referee only.
2. Under no circumstances will the dual referee system of officiating be utilized for any NTSSA sanctioned games (which include all Member Associations league games, cup matches, and tournaments). Member Associations of NTSSA who attempt to employ this system of officiating will be declared not in good standing upon thirty (30) days written notice by the State Executive Committee. If they do not take immediate, positive steps to comply with this rule, the Member Association will be held to be not in good standing.
3. Coaches of NTSSA registered and affiliated teams shall not play a competitive league, cup, or tournament match under the dual system of officiating, nor can their teams be forced to forfeit said game(s) for refusing to play under the dual system.
4. The use of unregistered referees is approved only in emergency situations; then, the captain or coaches of two competing teams may decide on someone agreeable to both of them to officiate. In these circumstances, the decisions of that person serving as an emergency referee are just as binding as if he were a registered referee. A Member Association of NTSSA who attempts to circumvent the spirit of this rule by continually relying on this rule, or the excuse of referee unavailability as a reason not to insist upon the proper training and registration of all their referees, will be put on thirty (30) days written notice by the State Executive Committee that it is not in good standing with NTSSA. If it does not take immediate, positive steps to completely comply with this rule, the Association will be held not to be in good standing. Member Associations that desire to free registered referees for higher level competition may require coaches or adults of their Under 6, Under 8, and Under 10 teams to each officiate one-half of their own games.

This policy is consistent with the policies and procedures of USSF and is proper protocol. This policy pertains to all classes, clinics and any other form of instruction provided to referee, instructors or assessors within NTSSA. This limit applies even when two or more associations join to host a clinic. Reservations will be taken on a first called, first served basis. A minimum of 10 pre-registered referees is required to hold the clinic. This minimum must be met 7 days prior to the requested date. An assessor translates his/her observations into constructive feedback to reinforce areas of high proficiency and to identify areas of weakness with suggested changes that will help the officials improve and sharpen their officiating skills.
 3. At the same time, the assessor is serving the SRC by providing feedback on the referee's ability to effectively officiate at the level of competition consistent with his referee grade (or requested upgrade).
- B. DISTRIBUTION OF ASSESSMENT FORMS
1. Copies of the Report of Assessment of Game Officials for Grade 6 Referees and below go to the SDA of the state the officials are currently registered. For Grade 5 Referees who are National Referee Candidates, copies of report are forwarded to the appropriate SDA, the Regional Assessor Coordinator and the National Referee Office. Should a National Referee fail an assessment, a copy of the report will also be sent to the National Director of Referee Assessment.
 2. Reports of delinquent written feedback to the officials or delinquent report of assessments to the SDA will be reviewed and where appropriate, penalties initiated.
- C. FEES AND COMPENSATION
